Dear Parent/Guardian,

As you are aware, the Department of Education has introduced a Free Books for Schools scheme for all Primary school children. This scheme is starting in the 2023/2024 academic school year.

Schools are required to purchase all textbooks, workbooks and copybooks for every child in school. A grant of €24,192 was paid to the school in order to purchase these items. The school has purchased these items from High Street Books. They have been delivered and are ready for distribution to the children on the first day of the new school year.

In previous years, the school would have asked for a book rental fee which would have included class readers, class novels and online subscriptions. Furthermore, a voluntary contribution was collected to help pay for art & crafts materials, ink and printing costs, paper, photocopying costs, texting parents and phone calls to parents.

Also, parents were asked to €7 per annum per child to avail of 24 hour cover for Pupil Personal Insurance which provides cover for Medical and Dental Expenses as well as capital benefits following an accident at school or at home (irrespective of legal liability). Unlike the standard school insurance, there is no need to prove negligence with this policy and payment of claim is made on receipt of a completed claim form with the appropriate receipts.

Parents/guardians of children from First Class to Sixth Class also paid extra for a homework journal.

This year, we are grouping all of these payments together and asking for a once-off payment on Aladdin for each child. The breakdown of the payment per child is as follows:

Payment Amount	Item(s)
€35	Art & crafts materials, ink and printing costs, paper, photocopying costs, texting parents and phone calls to parents
€31	Online Subscriptions- Twinkl, Bua na Cainte, Seesaw, Rainbow Oral Language Programme, Apps for I-Pads.
€7	Pupil Personal Insurance
€10	Homework Journals (1st to 6th class only)

A total of €73 will be asked for all children in Junior & Senior Infants.

A total of €83 will be asked for all children in 1st Class to 6th Class.

I am sure the Free Books for Schools scheme will prove to be an excellent initiative for all children and families and will help alleviate the cost of sending children back to school each year. On average, and taking into consideration the school payments outlined above, the cost per child will have been significantly reduced by nearly 50%.
